

Where to start in group classes:

Group classes are held at all three of our Charlottesville locations and are included in your **acac** membership.

In the schedules on the following pages, classes highlighted in green are appropriate for new participants. If you

are not sure where to start, ask an **acac** team member for assistance.

How to have a successful group class experience:

- Wear comfortable clothes and appropriate footwear. Please refrain from wearing perfumes or heavily scented lotions.

- Bring a water bottle and towel.
- Arrive early for equipment set-up and to ask any questions.
- The warm-up is essential to your safety. Do not enter a class more than 10 minutes after the listed start time.
- Cool-down and stretching are important for your safety. Please do not leave class early.
