

How to have a successful group class experience:

- Wear comfortable clothes and appropriate footwear. Please refrain from wearing perfumes or heavily scented lotions.
- Please limit personal conversations during class and refrain from using cell phones in the studios.
- Bring a water bottle and towel (required for cycle classes).
- Arrive early so you have time to set up equipment and speak with the instructor if you have any questions.
- The warm-up is essential to your safety. Do not enter a class more than 10 minutes after the listed start time.
- Choose impact and choreography options that feel right to you. Listen to your body and do what is comfortable.
- Cool-down and stretching are important components to a group class and your safety. Please do not leave class early.

Group classes are held seven days a week and are included in your **acac** membership.

Please consult the class descriptions on the following pages to choose the right class for you. This information is also available at the Front Desk and online at **acac.com**.
