

GROUP EXERCISE SCHEDULES

aquatic | group exercise | mind body | EDGE cycle

Where to start in group classes:

All of the group classes listed below are included in your acac membership!

In the schedule on the following pages, classes highlighted in green are appropriate for new participants. If you are not sure where to start, ask an acac team member for assistance.

How to have a successful group class experience:

- Wear comfortable clothes and appropriate footwear. Please refrain from wearing perfumes or heavily scented lotions.
- Bring a water bottle and towel.
- Arrive early for equipment set-up and to ask any questions.

- The warm-up is essential to your safety. Do not enter a class more than 10 minutes after the listed start time.
- Cool-down and stretching are important for your safety. Please do not leave class early.

GROUP EXERCISE CLASS DESCRIPTIONS

| | |
|-----------------------------------|---|
| Athletic Conditioning | Take your fitness to the next level with this challenging cardio and strength workout with music and coaching to inspire you to work your hardest. |
| Below the Belt | A fat burning, calorie-torching lower body workout to tone and strengthen the glutes, quads and hamstrings. This 45 minute class utilizes resistance bands and dumbbells to get you maximum results through strength and cardio intervals combined with core conditioning. |
| BODYATTACK™ | Improve power, speed, and agility in this dynamic, high-energy mega calorie burner by Les Mills. |
| BODYCOMBAT™ | Les Mills' high-energy, non-contact, martial arts-inspired workout. Punch and kick your way to fitness. |
| BODYPUMP™ | This barbell class strengthens all major muscles in a motivating group environment. |
| BODYPUMP™ Challenge | Cardio drills included to give an extra boost to your day. |
| Boot & Bells | Kettlebell strength, cardio and flexibility work will be featured in this boot camp styled class. |
| Boot Camp | This circuit-style class incorporates strength and cardio into one high-impact workout. You will target all muscle groups for a full body work out. Be ready to sweat! |
| Boxing Fit | A boxing class using bags, gloves, and focus mitts. Impact optional, hand wraps are required. <i>Come early to learn proper wrist and hand wrapping.</i> |
| Cardio Strength | This class uses various types of equipment to elevate your heart rate while also incorporating strength segments to give you a total workout. Can be modified for all workout levels! |
| Chair Strength & Balance | Adapts full body movement and incorporates strength, light weights and balance in a seated and/or standing at barre for more support and stability. No fitness experience required. |
| CXWORX™ | The ultimate way to get a tight and toned core. Dynamic training hones in on your abs, glutes, back and obliques. |
| Dance Fusion Dance Fusion Gold | A dance-inspired workout that's great exercise but feels more like a dance party. Cardio and toning elements are "fused" into easy-to-follow dance moves set to your favorite songs! Dance Fusion Gold: Expect the Gold class to have simpler choreography and to be a bit more gentle on your joints. |
| Feeling Fit with MS | An exercise class designed for people with MS. Exercise with our expert staff and enjoy working towards improving core strength, balance and gait, and stamina. |
| Fit Essentials | Classic cardio moves designed to increase stamina combined with strength training and flexibility exercises to keep you feeling strong and limber. Acceptable for all ages and fitness levels. |
| HIIT Cardio 30 | 30 minutes of high-intensity interval training. A total body, heart pumping, aerobic and strength conditioning workout. Modifications for different fitness levels provided. |
| HIIT Strength | High intensity interval training focused on total body strength and metabolic burn. |
| Kettlebell & Core | This class will use strength, mobility, and core circuits to give you an effective total body workout in just 30 minutes! |
| Kettlebell Strength | Expect to use a variety of equipment that will challenge you in new ways. Kettlebell experience recommended. |
| Latin Dance Lite | This class features Zumba®-type music and a lighter version of movement with no impact. Designed to be easier on your back, hips, knees and feet. |
| Lean Conditioning | Use light weights, resistance bands, and body weight to tone and strengthen muscles with little to no impact on your joints! Class will focus on balance, overall strength, core strength and conditioning. |
| LIIT | A low impact, low intensity interval cardio and strength class for a strong, healthy and fit you. A great workout for beginners and intermediate levels who want to keep their feet on the floor. |
| PiYo® | PiYo® combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility advantages of yoga. We crank up the speed to deliver a true fat-burning, low-impact workout that leaves your body looking long, lean and defined. |
| Step | Instructors use their individual style and creativity in this traditional block choreography cardio class for those that love step. |
| Strength Challenge | Perform compound, dynamic, and isolated strength exercise using a variety of equipment or body weight for a total body workout. Expect a challenge! |
| STRONG by Zumba® | STRONG by Zumba® combines body weight, muscle conditioning, cardio, and plyometric training moves synced to original music that has been specifically designed to match every move. You'll burn calories while toning your arms, legs, abs, and glutes. |
| Zumba® | Learn elements of Salsa, Merengue, Flamenco, Cha Cha, and other Latin styles in this dance fitness, calorie-burning class that is more like a party. |
| Zumba® Core | All of the Zumba® cardio you love with core conditioning segments to slim your waist and teach you how to protect your back! |

EDGE CYCLE CLASS DESCRIPTIONS

| | |
|-------------|--|
| Power Ride | Train like a machine in this 50 minute workout. Track your performance in real time with our Crank Board, and drive toward your personal best. We climb, we sprint, and we race for a full body challenge. |
| Rhythm Ride | You'll quickly be addicted to this 50 minute beat-bumping party on a bike. Ride to the rhythm and feel the beat with this perfectly choreographed mix of upper body work, hills, and drills, while getting lost with the intoxicating fusion of music. |
| Studio Ride | This cardio workout is based on standard cycling principles. Classes are technique based and focus on cadence, heart-rate zones, climbs & sprints that can make an unpredictable ride that is fun and challenging. In this ride, our instructors use their own unique training and experience to bring this class to life. |

MIND BODY CLASS DESCRIPTIONS

| | |
|--|---|
| Barre Barre Fusion | Barre is a ballet-inspired workout using the barre, light weights and props to strengthen and tone the entire body. Barre Fusion is the fundamentals of traditional Barre with added elements of compound, dynamic movements for a greater challenge. May or may not incorporate the use of the Barre apparatus. |
| BODYFLOW™ | A fusion class of movement patterns influenced by Tai Chi, Pilates and Yoga-inspired sequences set to music. The focus is on controlled breath, strength, balance, core and a full series of stretches, ending with an extended relaxation. |
| Buti Yoga | Dynamic yoga practice that blends primal movement (tribal dance) with deep core engagement, cardio bursts (plyometrics) and vibration to tone the body, spiritually and physically. The movement involved in a Buti class is designed to empower and develop body confidence, break through barriers, and transform your body. |
| Cardio Barre Fusion | A high energy/no impact exercise class that combines barre work, lightweights and resistance equipment with continual fat burning motion designed to strengthen and tone the whole body. The focus is on cardio, strength and flexibility to improve overall fitness level. |
| Cancer Well-Fit Yoga | Semi-private, warm yoga program with a focus on the mind-body-spirit connection. Class will include instruction on meditation and healing techniques within the group and will also address participants' individual needs. |
| Chair Yoga | Adapts yoga poses with creative use of a chair for more support and stability. This class includes deep breathing, balance, gentle stretching and strengthening without having to get on the floor. No yoga experience required. |
| Hatha Yoga Hatha Intro Hatha I Hatha II Hatha III | Intro: Learn breathing, sequencing and proper alignment for postures in Hatha Yoga. Hatha I: Develop strength, balance, flexibility and breath control in held postures with this alignment based class. Learn and practice correct alignment and breathing techniques in basic yoga postures. Hatha II: Develop strength, balance, flexibility and breath control in held postures with this alignment based class. Designed to take students to the intermediate level. More advanced postures and sequences are introduced requiring more strength, stamina and flexibility. Hatha III: Designed to help students advance their yoga practice. More advanced postures and sequences are taught requiring more strength, stamina and flexibility. |
| Mat Pilates I | A series of exercises designed to strengthen the muscles of the core while promoting proper spinal alignment. |
| Meditation | Feel relaxed, peaceful, focused, and develop more inner awareness. |
| Pre/Post Natal Yoga | A relaxing yoga practice focused on helping you feel calm, flexible, and fit during pregnancy and helping you gently get back into shape post delivery. This workout will increase your energy, ease aches and pains and strengthen the muscles you will use for labor and delivery. |
| Qigong Tai Chi/Qigong | Qigong is an ancient Chinese series of fluid movements coordinated with breathing to increase flow of energy throughout the body and mind. This is the most widely practiced form and can be performed sitting or standing. Tai Chi/Qigong will tone the body as your work through a series of movements that incorporate legs, arms and core stability. |
| Restorative Yoga | The body is placed in restful postures and supported by props. All postures gently stretch the body while promoting rest and relaxation. |
| Vinyasa Yoga Vinyasa I Vinyasa II Vinyasa Power Vinyasa Improv | Vinyasa I: continuous flow of movement using sun salutations and dynamic breathing. Vinyasa classes move at a fast pace so prior Yoga experience is helpful. Vinyasa II: A continuous flow of movement using sun salutations and dynamic breathing. Vinyasa classes move at a fast pace so prior Yoga experience is helpful. In level 2 the pace may increase and more complex poses and inversions are introduced. Vinyasa Power: A more vigorous approach to Vinyasa. Appropriate for intermediate and advanced practitioners, the instructor will lead participants through postures focused on core-strength, arm-balancing, and inversions. Level II/III. Vinyasa Improv: A modified practice of the primary series of Ashtanga yoga. A precise interlinking of traditional yoga postures creating continuous flow of movement and deep breathing. Level II/III. |
| Yin Yoga | Passive poses subtly open the body for more flexibility and energy flow while promoting a calm mind. |
| Yoga for Every Body | An extra gentle yoga class designed for every body type. Practice yoga with the use of props, and modifications. Participants must be able to freely move on and off the floor. |

AQUATIC EXERCISE CLASS DESCRIPTIONS

| | |
|----------------------------|--|
| Arthritis H ₂ O | These gentle exercise classes are designed to strengthen and tone muscles key to daily activities and to increase/maintain joint flexibility and range of motion. Classes are held in a 90 degree warm water pool. |
| Athletic Aqua | Water resistance can add a new dimension to your strength and power. Full of drills and thrills, add splash to your workout. |
| Aqua Fit | A lot impact, high-intensity cardiovascular, strength, core and flexibility workout that is appropriate for all fitness levels. Instructors add their individual style and flair. |
| Aqua Fit Deep | Cardiovascular conditioning, combined with core and total body resistance training for a whole body workout with little to no impact on your joints. Flotation belts are used. |
| Aqua Fit Mix | A mix of shallow high-intensity aqua exercises and deep water toning and core work. |
| Aqua Yogilates | A mid-intensity cardio workout with Pilates exercises adapted for the water. Challenge balance & coordination while strengthening core muscles with alternating cardio and strength exercises. |
| Core H ₂ O | Strengthen, tighten, and tone your core! |
| Feeling Fit w/ MS | An aquatic exercise flexible enough to provide core, strength, balance and gait training or an aerobic workout. Instructors are certified by the MS Society and work hands-on with participants as needed. |
| HIIT Deep H ₂ O | Interval exercises are done in the deep water, engaging the core and working the body for strength. |
| HIIT H ₂ O | Interval based workout for cardio and strength with all the resistance of water but without all the impact of land. |
| Tabata H ₂ O | Traditional land-based 20 seconds on, 10 seconds off segments with the power and protection of water, for a unique challenge. |
| WATERinMOTION® | The newest in aquatic exercise for those looking for a challenge. Cardio, strength, core and flexibility in one action-packed class, set to your favorite hits. |
