A reduction in fees will also not be given if school is closed and the program is not operating. Parents are responsible for program fees whether a child attends the program or not. Cancellation requests must be made in writing and require a 4-weeks notice. This will allow us to fill your child's spot in the program from our waitlist. If a child is withdrawn, they will be removed from all future sessions. Withdrawn children may re-register, if space is available, or pay a \$200 hold fee per session; re-enrollment after withdrawal will be subject to all applicable registration fees and tuition. Cancellations that occur without written communication and/or not within the 4 weeks required notice will not be honored and full program payment will be required.
